What is the USS Arizona Memorial Narrated Tour? The narrated tour is ideal for larger groups, international students, or groups who want a personal guide outside of ParkEDU educational days and times. We do have comprehensive questions available to use in conjunction with this program (at this time we only have them in English and Mandarin.) The narrated tour has various stops throughout the entire park; you simply plug in the number associated with the visit and listen.

*There is an associated cost with this supplemental program. Educational groups receive half off of the original price. The narrated tour will need to be reserved at the same time as your request tickets and can be paid for the day of via cash, check, or credit card.
